

Muslim-Jewish Relations Amid Rising Discrimination

Besheer Mohamed

Senior Researcher

The general public says that *discrimination has increased in recent years* for both Muslims and Jews in the U.S.

Is there a lot of discrimination against each group, according to the general public?

Source: Survey conducted among U.S. adults, June 13-16, 2013. Survey conducted among U.S. adults, April 5-11, 2017

American Jews seem somewhat *more likely* than the American public overall to believe there is a lot of discrimination against Muslims in this country

Is there a lot of discrimination against Muslims?

Source: 2013 Survey of U.S. Jews, conducted Feb. 20-June 13, 2013

American Muslims seem *about as likely* as the American public overall to believe there is a lot of discrimination against Jews in this country

Is there a lot of discrimination against Jews?

Source: 2017 Survey of U.S. Muslims, conducted Jan. 23-May 2, 2017

Many say there is more discrimination against Muslims than Jews

Is there a lot of discrimination against each group?

Source: 2017 Survey of U.S. Muslims, conducted Jan. 23-May 2, 2017
